

Policy Summary

State Compliance Policy (SCP) 5.3

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 5.3 to the Governor's Executive Committee for review and approval of non-substantive changes.

This policy provides guidance to ensure all recipients and subrecipients receiving WIOA funds are aware of the regulations that apply to lobbying. The previous version was based on the Workforce Investment Act (WIA) and reference has been changed to WIOA. The revision updates the formatting and reflects the originating office's new name, Workforce Innovation Support Services. This policy is being revised for non-substantive changes and to provide clear and concise guidance for the Local Workforce Development Boards (LWDBs) as well as the Governor's Workforce Development Board (GWDB).
