

Nevadaworks Industry Sector Partnerships Update

Industry Sector Partnerships (ISP)

32 ISP Meetings across Nevadaworks Local Area

- ➔ Validation of high-demand occupations, technical skills & industry credentials.
- ➔ Employer inquiry validating emerging skills & sector priorities.
- ➔ Formally engaged industry associations and experts to support industry connectivity
 - Manufacture Nevada, Nevada Healthcare Association
 - TMCC Logistics Division, EDAWN

ISP Priorities

Digital Technology

- (1) Overlay CompTIA+, Network +, and Security + in all applicable classes
- (2) Microsoft Excel, Word, Teams, Outlook credentials needed across all target sectors and pathways

Healthcare

- (1) Implement short-term Surgical Tech credential
- (2) Design and implement Behavioral Health Tech training - 40 hrs. Using Adult Education IET non-credit

- (1) Use Workforce System employer relations to attract instructors
- (2) Leverage Career Navigators to increase employer engagement in regional career & WBL events

Logistics & Transportation

- (1) Connect employers with workforce system OJT for diesel mechanics
- (2) Develop entry level training program through Adult Education IET with Neil Oscarson as the SME for instructional design

Advanced Manufacturing

- (1) Add Design Engineers with AutoCAD and Solidworks Mechanical and Electrical Associate industry credentials to high-demand skills and job list
- (2) Add electrical control safety to competencies
- (3) Increase connectivity to WBL including tours to provide exposure to modern manufacturing

New Industry Sector Partnership

Working with EDA to stand up a Construction ISP

- Provide employer input on general industry needs and focus on current infrastructure initiatives in the state of Nevada.
- Broadband Infrastructure will be an emphasis during the next two years.
 - Partnership with OSIT has been established to assist with industry engagement and support workforce development as the lead for High-Speed NV

Additional Information

- ISPs meet quarterly and are duplicated in the east and west ends of the Nevadaworks service area with virtual attendance options
- Nevadaworks is piloting bimonthly Employer Hire Surveys to supplement EmployNV Job Postings
- Created an Indian Workforce Development Committee which meets quarterly and is focused on the strengthening workforce talent pipelines on Tribal Lands with Tribal input.

Stakeholder Engagement

- Community Charrette engaged 50 service provision and educational partners:
 - Identify target career pathways that support economic growth in northern Nevada
 - Identify opportunities to braid funding and leverage specialization.
- Input session with all northern Nevada Adult Education Title II providers to identify opportunities to
 - Identify pathway gaps
 - Identify opportunities to expand Adult IET training
- Three-week series of Tribal engagement sessions with Nations across northern Nevada to gather input on community goals, assets, and priority strategies for building human capital in Indian Country.
