

Policy Summary

State Compliance Policy (SCP) 5.9

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 5.9 to the Governor's Executive Committee for review and approval, prior to GWDB Full Board ratification.

This policy provides guidance on the procedure for updating SCPs and the use of Technical Assistance Guides (TAGs) as it relates to WIOA. Its' purpose is to facilitate and disperse timely SCP updates. This policy is being revised to reflect a change by the GWDB's bylaws being updated 08/2023. This now reflects that all policy changes will be approved by the GWDB Executive Committee and only substantive policy changes will also require approval from the GWDB Full Board.
