

BRIDGING THE EDUCATION TO WORKFORCE PIPELINE FOR NEVADA YOUTH

Report to the Nevada Governor's Workforce Development Board

JAG NEVADA MISSION

- To empower Nevada's young people with the skills and support to succeed in education, employment, and life.

JAG Nevada is a statewide organization

- In 14 of Nevada's 17 counties.
- 52 programs embedded in 43 schools across Nevada.
- 29 Clark County Programs
- 14 Rural Programs
- 8 Washoe County Programs

Within the communities we serve, we focus on locating programs in Title I schools serving a high percentage of low-income youth.

**Serving 14 of 17 counties

NEVADA'S COLLEGE & CAREER READINESS CRISIS

"One of the biggest challenges facing Nevada's long-term economic expansion is the lack of career and college-readiness for adults and K-12 students."

*The Guinn Center For
Policy Priorities*

WORK-READINESS AND CAREER LITERACY ARE VITAL TO OVERCOME POVERTY

Table 1. Exposure to poverty during childhood and the probability of being poor at ages 20, 25, 30, and 35*

	51%–100%	(8–14 years)	51.3	48.4	41.8	43.4

* Poverty status at more advanced ages is only observed for the increasingly restricted sample of individuals who reached the age specified.

** Sample size less than 20 persons.

TOP BARRIERS IDENTIFIED IN NEVADA'S JAG YOUTH:

- **1. Economic Disadvantage:** lack access to college and career information, higher student loan debt burdens, high school dropout almost four times higher, creates higher depression and stress and lowers academic outcomes, lower career self-efficacy and lower or no career aspirations.
- **2. Inadequate or No Work Experience:** Employment uncertainty and limitations, fewer economic resources to help them in their job search, less information about how to find work.
- **3. Lacking Marketable Occupational Skills:** Such as being coachable, having resiliency, collaboration, empathy, problem-solving and collaboration.
- **4. Transportation:** Leads to lack of access to the workplace, stress, anxiety, financial strain (needing Ubers), absenteeism, missing out on opportunities.

JAG EMPOWERS NEVADA'S YOUNG PEOPLE WITH THE SKILLS, MENTORING AND RESOURCES TO ENTER LIFE-CHANGING EMPLOYMENT AND CAREERS.

JAG

THE JAG MODEL

Ten Model Components

WHY JAG?

- Too many Nevada high school students “**fall through the cracks.**”
- These former students quickly join the ranks of Nevada’s **disconnected youths.**
- **JAG places a caring adult in youths’ lives** so that they have support come fair weather or foul all-year and for multiple years bridging into young adult life.
- If they can’t see it, they can’t be it. **JAG exposes them to the myriad carer possibilities** and teaches youths that “yes they can.”
- JAG is here to change students’ lives by reconnecting them to school, helping them believe in themselves and become self-motivated, gives them employment skill and helps them find their career path to the future.

WHAT SETS JAG APART?

- Clear, measured outcomes
- Extended, multi-year service and support to historically underserved youths
- Extended follow-up services after graduation to ensure successful post-secondary and employment entry
- Alignment with employers and training providers
- Transferable Employment Skills
- Exposure in classroom and out to employers and career pathways
- Coaching, case management and support with navigation to the future

GO DEEP: A NATIONAL DEMONSTRATION PROJECT IN NORTH LAS VEGAS

- Between 2016 and 2019, JAG Nevada implemented “Go-Deep” a demonstration project to see what happens when the JAG model is implemented at a larger scale.
- JAG Nevada ramped up the number of JAG Specialists in North Las Vegas high schools.
- **Finding:** There is a statistically significant, positive correlation ($r = 0.078$, $p = 0.009$) between years of participation in JAG programming and GPA.
- **Finding:** There is a significant difference based on number of years of participation in JAG programming related to number of days absent.
- **COVID:** Effectively put an end to the ongoing study.
