

Policy Summary

SCP 1.8

Adult Program Design, Career and Training Services

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Boards (LWDBs), the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 1.8 to the Governor's Executive Committee for review and approval.

This policy provides program requirements for the Adult and Dislocated Worker (A/DW) programs. WIOA divides required employment and training activities provided by American Job Centers into two categories: Career Services and Training Services. Eligibility requirements for services in these categories are different and are indicated in this policy. The purpose of this revision is to update the formatting, federal regulations, and references throughout the policy, in addition, hyperlinks have been added for easier accessibility to reference documentation. This policy is being revised for compliance and to provide clear and concise guidance to the LWDBs for local area policy development. As such, references to rescinded TEGL 03-15 have been removed and the policy updated with several newly issued TEGLs to reflect the most recent directives from the Department of Labor (DOL). Nevada Technical Assistance Guide (TAG) 15-3 will sunset upon approval of this policy; as such, reference to the TAG has been removed and replaced with reference to updated SCP. Attachment A has been removed as it is no longer relevant since it's inclusion prior to 2016.
